

Two minutes before you go in.

- 01 Stop**
Engine off. Phone silent and out of your hand.
- 02 Name it**
Say what followed you home. Decide what belongs to tomorrow.
- 03 Breathe**
Three slow breaths, longer on the way out.
- 04 Choose**
Who do I want to be for the first ten seconds?

IF YOU DO NOT DRIVE HOME

Close the laptop, write the next work thing down, walk to the end of the street and come back in. The doorway matters more than the car.

The day still happened. You get to decide how you carry it in.
