

THE THIRTY DAY PAGE • TWO PRACTICES, NOT NINE

Keep the two that actually helped.

Do not keep nine practices because you paid for nine lessons. Choose two between you, give each a situation and a response, and leave the rest alone.

PRACTICE ONE

When ____ happens, we will ____.

THE PRACTICE

Which sheet, and who is doing it.

THE CUE

The moment that sets it off.

THE SMALLEST VERSION

What it looks like on a bad week.

PRACTICE TWO

Same shape. Two is the limit, on purpose.

THE PRACTICE

Which sheet, and who is doing it.

THE CUE

The moment that sets it off.

THE SMALLEST VERSION

What it looks like on a bad week.

WHAT WE ARE LETTING GO

The ones that did not fit this season. Write them down so they stop nagging.

THIRTY DAYS FROM NOW

What happened. Not whether either of you was good.
