ALL THE WAY HERE · MEN'S EDITION · LIVES ON THE FRIDGE, THE DESK, OR IN THE TRUCK

See it. Carry it. Build it.

The Solo and nine practices on one page. Use the move that meets the week in front of you.

BEFORE YOU START

0	**The Solo**	Half a day alone. Phone in the truck. Three questions on paper.

SEE IT

1	**The Honest Map**	Score seven areas 1 to 10. Circle the one you avoid. One move, with a day and time.
2	**The Drift**	Log the reach for seven nights. Name the feeling. Set up a better 9 PM plan.
3	**Short Fuse**	Catch the signs. Sixty second reset. Return when you said. Repair within the hour.

CARRY IT

4	**Choose Your Battles**	Mine to fight, mine to hand off, not mine at all. One hard conversation.
5	**Enough**	Enough money, hours and yes. One hard edge for thirty days, told out loud.
6	**Fuel**	Seven hours. Move five days, strength two. Outside. One hard thing on the calendar.

BUILD IT

7	**Your Council**	Two or three men. A specific invitation. Repeat it. Tell one true thing.
8	**The Inheritance**	Write his playbook. Keep, change or stop. Practice one new line out loud.
9	**What You Pass On**	Write your creed. One challenge with each kid. Tell them who they are.

Two practices you keep beat nine you admired.
